THE ART OF THE STUD

What makes them exceptional

01

Center Stone

A single round-brilliant aquamarine, cut to catch light at the lobe from every angle.

02

Four-Prong Setting

Four delicate prongs lift the stone off the ear — maximum brilliance, minimum metal.

03

Comfort Backing

Screw Back for the highest security, or Push Back for effortless everyday wear.

04

Lifetime Care

Free professional cleaning and prong inspection for life, on every pair.

BUY WITH CONFIDENCE
